St Andrew's Community Survey

Responses to the survey are coming in well. It is important that we speak to as many people in the community as we can to get the best picture of what they think of the Church in the parish.

The target is for each member of the congregation to speak to just five people. When you complete the questionnaires please return them to the box in church or give them to Michael Hunter.

If you have mislaid your forms or want some more additional packs are available from church. Please let us have the completed forms back as soon as possible.

St Andrew's Readers and Intercessors Rota

Michael Hunter is preparing the next rota to run from October through until January. Can you let him know today if there are any dates he should avoid?
